

WEST ISLAND COLLEGE ALUMNI AWARDS NOMINATION

The Alumni Achievement Awards are presented to alumni who have made significant contributions in their professional or personal lives in the areas of Philanthropy, Business, Arts, and Personal Achievement. Candidates can be self-nominated or brought forward by alumni, faculty, family, friends or students and are then deliberated upon by the Selection Committee who carefully consider the five criteria for nomination: Vision and Leadership; Innovation and Achievement; Impact; Growth/ Development Strategy; and Community Involvement and Contribution.

The awards are presented yearly in the Spring at the annual “WICelebrates” event. This evening is a convening of Alumni, past recipients, current recipients, friends, and family to celebrate the achievements of the award recipients but also to join together in our shared experience as WICers.

The 4 awards presented yearly to successful nominees are:

- 1) Business: This recipient embodies the qualities of an exemplary business leader who has career accomplishments that deserve tremendous recognition. The candidate is a driven competitor in the business world but also someone who remains dedicated to making his community better through generous time and energy outside of the workplace.
- 2) Philanthropy : This recipient has demonstrated an outstanding commitment to a community or cause. He or she serves as an example of compassion, altruism and social conscience through gifts of both time and treasure.
- 3) Arts: This recipient has achieved substantial success and made significant contribution to the Arts. Grantees could be visual artists or performing artists as well as writers, authors, and professionals working in another artistic space to promote the arts and further the discipline.

4) Personal Achievement: This award is honoring individuals who have achieved notable personal success in their endeavors by demonstrating resilience and determination.

To nominate someone for a WIC Alumni Award, please fill in the following information (or as much of the information as you are able to provide):

Contact information for the Nominee:

Name:

Class Year:

Address (if known):

Phone number:
